

Jean-Christophe Chatelain

Full stack Developer

ABOUT ME

Passionate about technology since childhood, I thrive on solving mental challenges. I have worked for over 14 years at AGRIDEA, providing solutions to support stakeholders in the Swiss agricultural sector. My focus has been on finding the most suitable solutions for our users.

SKILLS

- Backend (C#, .Net MVC, EF, PHP, Typo3)
- Frontend (JavaScript, HTML, CSS, Angular)
- Databases (MSSQL, MySQL)
- User Interface/User Experience (Figma)
- Agile practices (Scrum)
- Mobile Apps (Angular)
- Linux
- Docker
- Continuous Integration
